

**CELEBRATING 15 YEARS OF  
SERVICE IN THE COMMUNITY**

**Rebuilding Together Howard**

**County** is dedicated to helping low-income, elderly and disabled homeowners live in warmth, safety, and dignity. We provide home repair and rehabilitation using volunteer services. In 2006, we also celebrated a milestone, 15 years of service to the community. Rebuilding Together serves all residents in all communities throughout our county.

*Between 1992 and 2006, 18,000 volunteers were involved in rehabilitating over 500 homes in HOWARD COUNTY donating approximately 95,300 hours of their time. In 2006 alone, 29 homes were rehabilitated, involving 1,000 volunteers donating approximately 10,000 hours to help their neighbors at a market value of \$600,000 worth of work. The Howard County Council has recently honored our group for our dedication and commitment to those we serve.*

# WHAT WE DO AND HOW YOU CAN HELP

## What is our mission?

Our mission is to preserve and revitalize houses and communities, assuring that low-income homeowners, particularly those who are elderly and disabled and families with children, live in warmth, safety, and independence.

## What we do:

One day each year, we gather volunteers from all walks of life, ages and ethnic backgrounds to join forces. Armed with truckloads of donated materials, these volunteers paint, repair and renovate homes. The goal of **Rebuilding Together Howard County** is to encourage volunteering at the local level to stimulate increased local activity to aid the low-income, elderly and/or disabled homeowners.

## Who volunteers?

Anyone can volunteer! Business executives, students, secretaries, doctors, lawyers, bus drivers, policemen, bankers, journalists, and politicians all pitch in to help build a better community! Skilled trades people are always in demand. **Rebuilding Together Howard County** draws hundreds of carpenters, plumbers, electricians, roofers and people with other skills donating their time each year.

## Who sponsors Rebuilding Together?

Funds come from generous individuals, corporations, labor organizations, foundations, civic organizations, churches, and synagogues that are interested in helping to build a better world. Our local affiliates do their own fundraising, publicity, volunteer recruitment, and management. **Rebuilding Together** is a nonprofit, nonsectarian organization supported by voluntary contributions of time and money.
